INVASION OF LAOS

1971

Sunday Feb.7 this telegram was sent to an anti war conference being held in Ann Arbor Michigan by Mme Nguyen Thi Binh, representative of the Provisional Revolutionary Government of South Vietnam at the Paris Peace Talks:

ALERT YOU. LAOS INVASION BY TROOPS OF PUPPETS U.S.-SAIGON-
THAI CROOPS. ACTING ENEMY. U.S. AIR FORCE. SECRET
CALL YOU RESIST. PEACE FORCES. YOU CERTAIN CRUSH BARBARIANS
MILITARY VICTORIES INDO-CHINA.

Mme. Nguyen Thi Binh

Sunday night news announced the results of NBC's nationwide poll: 46% of the people polled said they didn't believe Nixon's story that no U.S. ground troops are involved in the invasion of Laos. The same network said that Senators in Washington D.C. are "crossing their fingers" that Nixon is telling the truth and no U.S. ground troops are involved in the invasion of Laos.

It seems outrageous that Nixon would try to hide completely the invasion of Laos from the American people, but ever since the massive Cambodian rebellions last May, he has been doubletalking us about the war. We cannot wait for Nixon or the censored press to tell us what is really happening in Laos. People who support the struggle of the Indochinese people for their liberation and want an end to the war must begin to expose Nixon's lies and force him to get the fuck out of Laos and the rest of Indochina.

AT U OF M ON:
There will be a mass meeting in the Hub Ballroom(U.of M. campus) at 8p.m. Wednesday night of people who want to actively oppose the invasion of Laos. Proposals for possible actions will be discussed and voted upon in order to determine what we can do. If you want to keep your proposal anonymous, turn it to a table that will be in the HUB or give it to the chairman of the meeting Wednesday night.
